

**CANIÉS**

# CANIÉS ACADEMY

Empower Skills, Transform Lives

# INTRODUCTION

**Welcome to Canies, where learning meets innovation! At Canies, we bring the future of skill development directly to your school's doorstep. Our tailored courses empower students with essential skills, transforming classrooms into hubs of creativity, curiosity, and capability. Join us on a journey to unlock the full potential of every student, as we pave the way for a brighter, skillful tomorrow.**

# PROBLEMS

## Problem 1

Students don't find the proper institute where they can learn the skill domains

## Problem 2

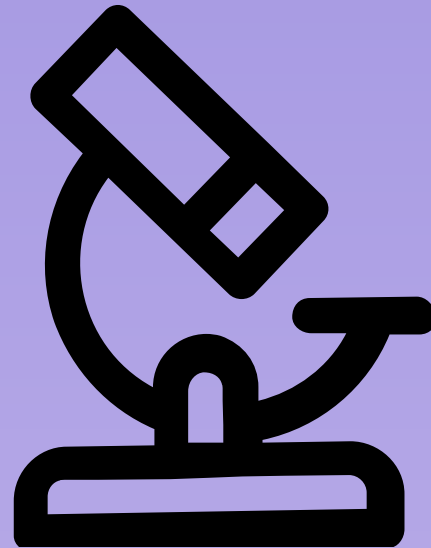

Students are afraid of interviews

## Problem 3

Students don't experience the practical application in search of theoretical knowledge

# OBJECTIVES

**"We will assemble a team of skilled experts for each domain and assign them to schools, where they will provide practical instruction, engage students in events, and empower them to gain hands-on experience that not only enriches their learning but also enables them to experience real market"**

## I. CREATIVE TECH

## 2. ADVANCED TECH

WEB & APP DEVELOPMENT

UI & UX DESIGNING

VIDEO & PHOTO EDITING

CYBER SECURITY

CRYPTO & BLOCKCHAIN

NETWORKING

## WEB & APP DEVELOPMENT

We instruct students in web & app development and guide them through project building, allowing them to gain practical skills while also creating opportunities to generate income.

## CYBER SECURITY

We actively involve students in cybersecurity to help them develop digital protection skills.

## CRYPTO & BLOCK CHAIN

We provide practical instruction to students about crypto and blockchain technology, utilizing interactive projects for hands-on learning.
